## INTERNATIONAL-PARCEIROS

The slogan is  
All drummers and percussionists can  
find their own sound on  
**PERGAMON CYMBALS**

### **PLEASE READ THIS FIRST:**

This is an international retail price list, which is valid for regular customers from all around the world, who'd like to order directly from the Tonum cymbals. The price list provided by your local dealer/distributor might be different.

All the prices are fixed in the United States Dollar. Please get in touch with your local financial regulation institution or your bank to get current exchange rate for your local currency. If you have a local distributor/dealer in your country, they might provide you with a price list in your local currency. We DON'T provide a list of prices converted to your local currency.

Prices here DO NOT include shipping cost, customs clearance fee or any additional expenses that might be charged due to delivery process. Please get in touch with your local customs to find out the details about your local import tax policy.

### **Preconfigured Cymbal Sets**

PLEASE NOTE: These sets are made with fixed size configuration and available for any serie but it has to be a single serie. Mixed series within a single set are not supported. Pre-configured sets have special price which is lower then total cost of each cymbal included in the set configuration. You are free to combine your own set with any sizes, types and series, but it will be calculated with regular cost (total cost of each item included).

### **Por favor, leia:**
